Dear Ms Van Caeneghem

With this letter, I would like to express my appreciation, thanks and support for Heads Up and your role in particular.

As Dean of the Faculty of Medicine and Health Sciences, I am privileged to follow your work and exceptional contribution to neuro-oncology research through Heads Up.

Under your inspiring leadership, this fund is committed to research within neuro-oncology. In a highly competitive research landscape, this funding provides additional oxygen and continuity. Thanks to your commitment and leadership this fund makes a substantial difference and offers new perspectives to patients. You succeed in foster collaboration between researchers, clinicians and other stakeholders leading to new insights and progress.

I am unreservedly grateful for your dedication and commitment to offer hope to patients and their family. With Heads Up, you are helping us deliver on our mission to improve healthcare.

I look forward to continuing our collaboration and making progress together in the fight against neurooncological diseases.

Best regards,

Piet Hoebeke  
Dean
